February is Black History Month. We are excited to honor famous African Americans who have contributed so much to our country. The Human Relations Council and Student Council will be preparing important information to share with our Riverview students this month to honor these amazing citizens in history. Also, we will have guest readers in our library throughout February to share stories about Black History Month. Please contact [kellimuirheid@cusd.com](mailto:kellimuirheid@cusd.com) or [lisarose@cusd.com](mailto:lisarose@cusd.com) if you would like to participate in being a guest reader for our library or share a presentation about Black History Month to our students.
