**WHAT IS THE PARENT TEACHER CLUB?**

The Riverview PTC is a very active organization that is open to all parents of Riverview Elementary School students. We exist to support the school...its programs, students, and staff. Riverview PTC raises funds for the many needs of our school not provided by the State or Clovis Unified School District. We sponsor events for the entire family to promote a sense of community. We also organize informal ways to show our appreciation to the teachers and staff. Through our many activities, we are an integral part of the school partnership between parents, children and staff. Membership allows you to work directly with the PTC Executive Board at monthly meetings where we discuss school, staff and student needs. We also discuss financial contributions that will be made to benefit Riverview Elementary. Your attendance at these meetings along with your help with various activities throughout the year will allow you to have a voice in your child's education. It is required that you must be a PTC Member to attend the monthly meetings. Lending your time, energy, and/or new ideas is an essential part of the PTC striving to meet its goal of promoting and providing the best possible educational experience for every student at Riverview.

Examples of past year's Riverview PTC purchases are:

Umbrellas for Picnic Tables Near Amphitheater, Technology , Teacher Stipends, New School Marquee, Campus Monitors, Crossing Guards, Library Books, Accelerated Reader-Renaissance Learning website/Grade Level Books, Athletic Uniforms, Supplemental Classroom Supplies, Choir Uniforms, Teacher Wish List Grants, Campus Beautification...and so much more.
