**RIVERVIEW'S ANNUAL STUDENT BODY FUNDRAISER**

The Jog-A-Thon is a tradition at Riverview Elementary School. This is a great time for the students, staff and community members to show their support for the Rams as we continue our pursuit of educational excellence. All proceeds from this event will go directly to the student body at Riverview to support student recognition programs, supplemental curriculum and support co-curricular programs. **We are encouraging all students to wear their favorite SUPER HERO shirt on September 14 for the Jog-A-Thon.**

This fundraiser, like all Riverview fundraisers, is OPTIONAL for students and families. If you have any questions, please contact GIS Tom Wright at 327-8600. Thank you in advance for your continuing support. Feel free to come out and run with the Rams!
