Principal's Message

Happy 4th Quarter, Rams! We hope you had a wonderful time at our annual Ram County Carnival last Friday! This event would not take place without the tremendous support from our Carnival Planning Committee made up of community volunteers and PTC members. A big shout out to our Ram Dads for barbequing delicious hot dogs and tri-tip sandwiches! Thank you for creating a spectacular event for our community!

As we head into the month of May, our teachers and students are finishing up our i-Ready Diagnostic 3. We are seeing outstanding growth from our students who have been working so hard throughout the school year! We are so proud! Our 5th graders are kicking off state testing for science during the week of May 6th, and our 3rd-6th graders will be starting state testing for ELA and Math the following week. Please do your best to minimize interruptions and schedule any appointments around these dates. We encourage our students to get plenty of rest each night and start each day with a healthy breakfast! We are excited for our students to show all that they have learned!

Be on the lookout for further communication for exciting events coming in the next few weeks such as our Rodeo Dress-Up Day, Pastries with Parents, Open House & Spring Concert, and our annual Talent Show!

BECOME A RAM DAD!

Who are Riverview RAM Dads?

RAM Dads are fathers, grandfathers and uncles who volunteer for a day each year at the school. During the day, dads help in classrooms, play with the kids at recess, eat lunch with their child(ren), monitor the campus, mentor students and other duties at school. Just your presence on the campus helps with security and shows students that dads can be involved too! RAM Dads are scheduled on Wednesdays and Fridays and volunteer for half of a day.
